

Please make time to vote NO on WISD 1-Mil tax increase for CTE on Nov. 4

- Regressive tax burden on seniors and working & middle class
- Duplication of WCC's CTE program in the schools
- Wasteful \$1 million costs to WISD for one issue* election
- Need for collaboration & fiscal responsibility, not tax increase
- Poor timing – instability at all levels of government

* Only issue on ballot for majority of voters in Washtenaw County
